

Giacomo Saccani – Curriculum Vitae

Address	Via Castellazzo 10, San Genesio ed Uniti, 27010, Italy	Mobile Phone	+39 329 8715248
Date of Birth	27 th May 1994	Email	giacomo.saccani01@universitadipavia.it
		Email (alternative)	giacomo.saccani@yahoo.com
		Nationality	Italian

Education

Oct 2019 - Present - Università di Pavia, Pavia, Italy
PhD student
Student of the Identification and Control of Dynamic Systems Lab under the supervision of prof. Davide M. Raimondo.

Oct 2017 - Sep 2019 - Università di Pavia, Pavia, Italy
Master's degree in Industrial Automation Engineering 110/110
Title of the thesis: Analysis of domain decomposition methods for fast simulation of battery packs

Oct 2015 - Sep 2017 - Università di Pavia, Pavia, Italy
Bachelor's degree in Industrial(mechanical) Engineering 96/110
Title of the thesis: Test-bed for the validation of dial-a-ride strategies in the production of semi-conductors

Oct 2013 - Sep 2015 - Politecnico di Milano, Milan, Italy
Bachelor's degree in Civil Engineering
Study course dropped and exams transferred to Università di Pavia, for the course in Industrial Engineering

Sep 2008 - Jun 2013 - Liceo Scientifico N. Copernico, Pavia, Italy
High school diploma 83/100

Other educational experiences

Sep 2011 - Jun 2012 - Hall-Dale High School, Farmingdale, Maine, USA
Exchange student year
Spent the whole school year in a host family

Language skills

Italian	Native
English	Full professional fluency
French	Basic

Software Engineering Skills

- **Operative systems**

- Ubuntu*
 - Windows*
 - macOS*

- **Programming languages**

- C, C++*
 - Pascal*
 - HTML*

- **Other software**

- Autodesk AutoCad*
 - Autodesk Inventor*
 - Matlab/Simulink*
 - GIMP*
 - Latex*
 - Recurdyn*
 - Microsoft Office*

Interests

- **Basketball**
- **Skiing**
- **Railway modeling**
